Welcome New McDaniel College Interns!

Madeline Reid, Latonia Haines, Erin Hermansky, Nick Obielecki, Katie Bankard, Stacey Wachter, Jennifer Minner, Alicia Womack, Dallas Flint, Ellie Hume, Lillian Graham and Lauren Hild. Not pictured are: Errin Alexander, Caitlin Carter, Kathryn Deutch and Elaine Mills.

Target Community & Educational Services, Inc. welcomed sixteen McDaniel College graduate students who will serve as Community Living Managers in Target, Inc.'s residential program during an orientation on May 27th. These graduate students are working to complete a Master's Degree program in Human Services Management in Special Education at McDaniel College. During their two-year internships, each student will live in one of Target, Inc.'s homes or in the apartment program gaining real-life experiences in working with individuals with intellectual and other disabilities. Target, Inc.'s partnership with McDaniel College greatly enhances each student's knowledge and skills in assisting individuals with disabilities to live to the highest level of independence possible and to improve their quality of life.

Message from Dr. Tom Zirpoli, President and CEO

I hope everyone has had a wonderful summer. It has been very busy here at Target Community & Educational Services, Inc. We have welcomed 16 new graduate students to participate in the Human Services Management graduate program at McDaniel College. Each of these graduate students will live in one of our residential homes or apartments for the next two years, providing support and care for our clients and learning about management skills. More information about our new students is provided in this newsletter.

We also welcome two new members to Target's Board of Directors: Dr. Henry Reiff, Dean of Graduate & Professional Studies at McDaniel College, and Evan Wyant, Business Service Officer with BB&T. Both have been elected to serve a three-year term on the board. At the same time, we say farewell to three board members who have completed their terms: Dr. Barbara Alving, Ms. Caroline Brocato, and Mr. Christopher Ruppert. While their board service has come to an end, each of these individuals will continue to serve on Target committees, and we appreciate their willingness to continue to serve.

At our summer meeting, the board approved our new FY10 budget that began on July 1st. Our total operating budget for FY10 is 5.8 million dollars, a three percent increase over FY09. Once again, our budget includes no cost of living increase from the State of Maryland while we continue to deal with increased expenses. In fact, our state funding (80% of our revenue) has just been cut by 2%. Our administrative costs are at 9.2%. Our payroll for 185 employees consumes about 78% of the budget.

Our fundraising focus this fiscal year will be on raising \$500,000, or twenty \$25,000 named scholarships, for our graduate student scholarship endowment at McDaniel College. This will fully fund the 22 graduate student scholarships we provide each year to our Community Living Managers (CLMs). We have secured about five of these and will be seeking 15 more. If you are interested in supporting Target, Inc. in this way, please give us a call.

Lastly, I hope to see you at our Bull Roast on October 3rd. It is our primary Montgomery County fundraiser and the only fall fundraiser. Raffle tickets are available. Please attend and support our agency.

Again, thank you for your on-going support. Target is dedicated to providing excellent support and services for the children and adults we serve.

Thank you,

Thomas J. Zirpoli, Ph.D.
 Professor, McDaniel College
 President and CEO, Target Community & Educational Services, Inc.

Christopher Ruppert, Dr. Tom Zirpoli,
 and Caroline Brocato

Dr. Tom Zirpoli expressed great appreciation for the dedication and commitment of three retiring volunteers at the June Board of Directors meeting. Each volunteer served on Target, Inc.'s Board of Directors for a total of six years. The retiring Board members are Dr. Barbara Alving of National Institutes of Health (NIH), Caroline Brocato of Neuman & Associates, LLC, and Christopher Ruppert of BB&T.

Words cannot adequately express our sincere gratitude for each volunteer's time and for the valuable contributions each provides to assist us in providing the highest quality of services to individuals with intellectual and other disabilities.

Summer Fun & Activities

Out and About in Montgomery

We spent the 4th of July at the MC Fairgrounds. We enjoyed the delicious vendor's food and listening to the band. We all sang along to the songs we knew and danced the night away! The spectacular fireworks brought squeals

and laughter from everyone. We are already looking forward to next year! ~ Caitlin Carter

Everyone enjoyed the attractions during our visit to The National Harbor. A water taxi provided scenic transportation to Old Town Alexandria, VA where we boarded the King Street Trolley for sightseeing. We

hopped back on the water taxi to return to The National Harbor. What a relaxing day! ~ Lillian Graham

Bull's Eye Club

By Jessie Gurkoff

The Bull's Eye Club picnic was held at beautiful King Park in Westminster, Maryland. Everyone brought great food for the potluck and enjoyed the delicious variety. The favorite dish was the Weight

Watcher's Brownies! We played field games, ring toss, ladder ball and bean bag toss. The competition was fierce!

Other favorite Bull's Eye Club activities include bowling, pottery, dances, and participating in the Multiple Sclerosis Challenge Walk fundraiser.

Cowboy Up for the Rodeo!

By Jessie Gurkoff

Community Supported Living Arrangements (CSLA) clients and Target employees attended the Rodeo that was held at the River Valley Ranch in Manchester, MD.

Everyone was thrilled as they watched the exciting saw barrel racing, a horse riding version of musical chairs, steer wrestling, and real bull riding!

1st Annual Target, Inc. Field Day

By Melanie Weaver

On June 24th, 2009 the Carroll County Vocational Department held its first annual Field Day. Twenty-three individuals from the Day Habilitation Program and Supportive Employment Program competed in a variety of events including the softball throw, soccer kick, and standing long jump. The favorite event of the day was the sponge throw, providing everyone the opportunity to get a little wet and cool off. The Field Day allowed individuals to demonstrate their sportsmanship, participate in physical fitness, and have lots of fun. The day ended with everyone receiving a medal and a t-shirt to celebrate the great job done by all.

Making a Wish Come True

By Lonyta McClain

For a long time, Randy talked about her wish to take a dream ride... in a Hummer! She smiled from ear to ear, riding around town in style in a decked out Hummer, making her wish a reality.

With Sincere Gratitude to Our Generous Donors

Meet the New CLMs!

By Julie Caple

Errin Alexander, Brunswick, N.J., graduated from South Carolina State University. His goal is to become a Behavior Analyst. Errin loves music and dancing. **Katie Bankard**, Eldersburg, MD, enjoys shopping, working out, and spending time with friends and family. **Caitlin Carter** of Port Huron, MI loves to go shopping, watch movies, and read books. She graduated from Oakland University. **Kathryn (Kat) Deutch** of Columbia graduated from Towson University and enjoys traveling and going to concerts. Kat looks forward to a future management or teaching position. **Dallas Flint**, St. Augustine, FL, graduated from Maryville College with a focus on ASL and Deaf Ed Studies. Dallas would like to one day build her own computer and travel the world. **Lillian Graham**, from North Carolina, graduated from the University of Maryland. When Lillian enjoys sports, traveling and trying different foods. Her goal is to make an impact on people's lives! **Latonia Haines** of Bel-Air, MD graduated from McDaniel College. Latonia enjoys listening to music, reading, and bicycling. **Erin Hermansky** of Harrisburg, PA graduated from Messiah College. Some of Erin's hobbies are reading, cooking, running, and enjoying outdoor activities. **Lauren Hild** of Sykesville received her B.A. in Psychology from McDaniel College. Lauren enjoys spending time with her family and fiancé. **Ellie Hume**, Eldersburg, MD, would like to receive her PhD in psychiatry and own her own psychiatric clinic. She enjoys cooking and traveling. **Elaine Mills** of Uniontown was an undergrad at Messiah College. Elaine teaches youth group at her church. **Jennifer (Jen) Minner**, Ellicott City, received her undergrad from Stevenson University and would like to become a special education teacher. She is an animal lover and enjoys horseback riding, movies, and going to the beach. **Nick Obielecki**, Harrisburg, PA., enjoys soccer and paintball. One of his goals is to receive his counseling license. **Madeline (Maddie) Reid** from Falls Church, VA, graduated from Haverford College. Maddie enjoys sewing, baking, and running. **Stacey Watcher**, Walkersville, graduated from Shepherd University. She enjoys going to the beach, snowboarding, and traveling. **Alicia Womack**, Hagerstown, MD, graduated from Philadelphia Biblical University. She enjoys scuba diving, jogging, reading and motorcycle riding. Her future goal is to hike the Inca Trail in Bolivia!

My Experiences as a CLM

By Lynera Gregory

I discovered my love for the special needs community while studying, interning, and volunteering in the human service field. Of all my experiences, I consider the opportunity with Target Community & Educational Services, Inc. one of the most rewarding. Target presents an exceptional opportunity by providing me a mixture of both hands-on and classroom experience. I am thankful for the role that Target plays in preparing me for the future endeavors that await me.

Benjamin Disraeli once said that, "The greatest good you can do for another is not just to share your riches, but to reveal to him his own." During my next year with the Target program, I hope to be able reach out to one person, to push this individual to acquire something that he/she initially felt was unattainable. I look forward to helping this individual realize that with good service, help, and the pace of one day at a time... all things are possible.

Lynera Gregory has recently started her second year as a Community Living Manager (CLM) with Target, Inc. through our partnership in the Master's Degree in Human Services Management in Special Education program at McDaniel College.

Target on Health

By Julie Develin

This spring, Target Community & Educational Services, Inc. was proud to unveil the agency's new Wellness Program initiative for employees. The "Target on Health" Wellness Program affords employees the opportunity to learn healthy habits and utilize them in the workplace and at home. One goal of this program is to have a more productive, energetic workforce in order to enhance the lives of our clients. Another goal is to ensure that our employees, our most valuable resource, are healthy and educated on options for lifestyle choices to enhance their wellbeing.

Target on Health has sponsored several events for employees including a Spring Wellness Challenge, "healthy" potluck luncheons, and blood pressure, blood sugar, and skin cancer screenings provided by our agency nurses. We look forward to additional Target on Health events in the near future! Be well!

Spring Gala 2009

By Sandy Sipes

Rick Schmaley & Ted Imes
of Northrop Grumman Tom
Zirpoli, Target, Inc.

We can not express enough our sincere gratitude to everyone who provided their strong support of Target Community & Educational Services, Inc.'s (Target, Inc.) mission and services, enhancing the lives of children and adults with intellectual and other disabilities. *With your help, Target, Inc. raised over \$97,700!* All proceeds from this event go directly to advance Target, Inc.'s services, making a positive impact on the lives of the individuals that we serve. Thank you for helping us in our work to provide a safe, normalized and high-quality of life for our clients, now numbering 270. We hope for your continued support, joining with us to assist individuals with intellectual and other disabilities to be active participants in our community, to be involved in social activities and to live as independently as possible.

Each year, Target Community & Educational Services, Inc. honors an individual or a business that has made a significant difference for our organization and for the greater community. *The 2009 Laurence J. Adams Community Service Award was presented to Caroline Brocato.* Caroline is the second longest serving member of Target's Board of Directors, recently retiring from her position on the Board last June. She has served on numerous Target committees including the executive, finance and audit committees. She has strongly supported our special events and fundraisers. Caroline joined Neuman & Associates, LLC in November 1998 and was promoted to partner in January 2001. Caroline Brocato was presented this award with deep appreciation for her invaluable time, service, and contributions.

Joan Coley, McDaniell College
Peggy Adams, and
Caroline Brocato

Sharon Kroupa (left), Target, Inc.'s Board Chair and a partner at Venable LLP, and Joan Coley of McDaniell College presented Lois Geller (right) with a framed board resolution naming the *Ron Geller Apartment Program Endowment*. This resolution named the endowment after her husband, Dr. Ron Geller, who died on July 17th, 2008. Dr. Geller was a significant force in the provision of services for individuals with intellectual and other disabilities. He played an important role in developing Target, Inc.'s apartment program and was instrumental in helping dozens of individuals with disabilities secure employment. Dr. Geller's presence is sorely missed, but his advocacy lives on.

Great Appreciation Goes Out to Target, Inc.'s 2009 Spring Gala Sponsors!
